Hi Adam,

This claim has morphed into a large loss. We cannot leave any stone unturned for our investigation. So far we have the Traffic records. There is much more to do. Please review with Jon, the investigations in Ghulam Mustaffa and Gawrylash.

We will need to interview witnesses (once we have police records). We will need particulars of coverage of all involved parties. We likely will need to retain experts. Review black box information if available. PW – Road Patrols. Etc. – a full work up will be required.

Dana Lezau is handling this file – it is her first on the Red Hill involving a large loss. She will be attending my office to review all of Shillingtons previous reports to make sure we do all that can be done to fully defend these actions.

I will be in touch in the New Year to set up a meeting with her, and will include you in the invite.

Thanks,

Diana Swaby, CRM
